

Introducing Discovery Education Secondary

A digital learning service which offers secondary teachers engaging digital content across a wide range of subject areas. It is designed to empower teachers and inspire students to reach their full potential.

Discovery Education Secondary provides thousands of digital resources which support teaching of the curriculum, including the key **EBacc** and **Progress 8** subjects. Learning materials include educational videos, daily and weekly news bulletins, images and quizzes. Simple tools also allow teachers to create and upload their own learning objects, import class lists and assign resources.

- ▶ A comprehensive array of curricular resources, with tools for teachers and students, all in one place.
- ▶ Fully aligned with the new Key Stage 3 Programme of Study and the latest GCSE specifications from the main exam boards.
- ▶ Intuitive and easy to use.

Powered by Discovery Communications

Part of the number one non-fiction media company in the world, Discovery Education is bringing new and exciting educational services to the UK to inspire curiosity and bring learning to life.

The digital content you need, all in one place

Discovery Education Secondary is a trusted, go-to source for quality educational content that can be used flexibly to support and enhance teaching and learning.

- Can be accessed from all popular hand-held and mobile devices.
- Search & browse functionality allows you quickly find content to support specific learning objectives.

Compelling content

With an extensive video library featuring exclusive, award-winning content, from Discovery Channel, Animal Planet and the Science Channel, in addition to content from Channel 4 Learning and the BBC, students will enjoy finding out about the world around them.

- Videos and multimedia assets selected by our team of curriculum experts deliver the highest-quality educational content.

Helps teachers deliver effective, impactful lessons

- Foster progress in targeted areas with our navigational tools.
- Create **differentiated tasks** with our Builder tools, including **Quiz Builder**, **Board Builder** and **Assignment Builder**.
- Help students learn about their world with **whole-school resources** that include news bulletins, lesson plans and career videos.

Inspire curiosity. Bring learning to life.

Covers a wide array of subjects:

English, Maths, Science, Computer Science, Geography, History, French, German, Spanish, Art & Design, Business Studies, Design & Technology, Music, PSHE, PE and Religious Studies.

Discovery | COMMUNITY EDUCATION

We're developing a global community to put you in touch with your most valuable resource – each other! Think of it as your space to connect with like-minded teachers to exchange ideas, share wisdom and develop best practice. Interact via social media, virtual conferences and in-person events, to collaborate and access teaching resources shared by other members of the community.

Get involved today to help create, shape and nurture this community to be an inspiring social space for teachers everywhere. Talk to your Discovery Education contact or complete this short online form discoveryeducation.co.uk/communitygetinvolved
